

Dear Mahesh,

You are a nice person and a very good travel guide. Your constant smile and repeated assurance gave us the courage to travel so long, but it was very much interesting, educative and refreshing tour for all of us because of your company. We all will prefer to travel with you if we get another chance to come to

Sri Lanka. Smile and good will keeps the person younger, so please keep it up. We all love you and your smile. Thanks a lot for all the knowledge you shared and all the comfort you provided us on the way. May Allah Bless you.
