

Dear Mahesh,

On the first hand, take my thanksgiving for the wonderful time spent with you on this tour.

And specially for the heart moving help & gesture that you extended yesterday. Because of that I could perform well in the contest last night.

Also, there one thing that I liked the most in you, that is, your "Always Available, Always Smiling" attitude.

Keep it up!! Wish you lots of success in times to come.

Regards,
Divesh
